Director Recruitment

The Institute of Molecular Medicine, National Taiwan University, is now accepting recommendation for the new directorship.

【Qualification】

1. Professor or researcher at equivalent academic rank in the field of molecular biology or molecular medicine.
2. Applicants should have established reputation in research, leadership and a sound philosophy for higher education.
3. Under the age of 62 at the time of inauguration (starting August 1, 2019)

【Ways of Recommendation】

Three or more letters of recommendation by domestic or foreign scholars at academic rank of associate or full professors and their equivalents in molecular biology, molecular medicine or related fields with written consent of the applicant.

【Required Documents】

1. Applicant consent form
2. Three letters of recommendation
3. Applicant's resume (with photo)
4. Applicant's recent publication list (2013-2018)
5. Applicant's plans for short, medium and long-term development for the Institute of Molecular Medicine.

Electronic files are required for all the above documents. Please email the files to Professor Fang-Jen Lee, chair of the recruitment committee, before the deadline.

【Deadline】

The application documents should be sent to the follow address by 5 pm April 8, 2019, local time: The Institute of Molecular Medicine (The Director's Recruitment Committee), No.7, Chung Shan South Road, Taipei 10002, Taiwan
